

I Saw Her Standing There (Lennon, McCartney)

[capo on 3 for C]

[verse 1]

Well she was just seventeen, you know what I mean,
And the way she looked was way beyond compare,
So how could I dance with another, ooh,
When I saw her standing there?

[verse 2]

Well she looked at me and I, I could see
That before too long I'd fall in love with her.
She wouldn't dance with another
When I saw her standing there.

[chorus]

Well my heart went boom when I crossed that room
And I held her hand in mi-i-i-i-i-i-i-i-ne.

[verse 3]

Well we danced through the night, and we held each other tight,
And before too long I fell in love with her.
Now I'll never dance with another
Oh, since I saw her standing there.

[repeat from chorus, then...]

[outro]

Since I saw her standing there,
Yeah, well since I saw her standing there.
