[verse]

|E |B7 |E |B7
Here comes my happiness again
|E |B7 |E |B7
Right back to where it should have been,
|E |B7 |E |B7
'Cause now she's gone and I am free,
|E |B7 |E |B7
And she can't do a thing to me.

[chorus]

|E |B7 |E |B7
I just want to dance the night away
|E |B7 |E |B7
With senoritas who can sway.
|E |B7 |E |B7
Right now tomorrow's looking bright,
|E |B7 |E |B7
Just like the sunny morning light.

[bridge]

|E |B7
And if you should see her,
|E |B7 |E
Please let her know that I'm well,
|B7 |E |B7
As you can tell.
|E |B7
And if she should tell you
|E |B7
That she wants me back,
|E |B7 |E |B7
Tell her no, I gotta go.
